Dean's List Stage 1

The UNSW Business School is proud to announce the 2022 Dean's List Awards for Academic Excellence. This award was established to recognise the outstanding achievements of its students.

The recipients of the Dean's List Award are undergraduate Business School students who achieved outstanding academic excellence and are in the top 3% of their single or double degrees, based on academic performance from the previous calendar year.

This is an impressive achievement by these students and we congratulate them for their success.
